PDF Library - National Gallery of Art - This massive book goes through the whole history

a world history of art

of art, focusing on European history of art. The book tries to touch the world around Europe but I have to say that those parts were very few. It is almost impossible to put the whole world's history of art in one book so I completely understand how the book focuses on certain eras and countries that the writers consider more important than others. A World History Of Art by Hugh Honour - Goodreads -
