Engine Oil

Recommendations PDF -

So I tried a syn oil, it took

about 1000 miles before I

dumped it and went back to

a HD lube for both holes

and I haven't looked at

another syn oil since. But,

it's all up to you and what

you think is best for your

ride, good luck. Oil

Recommendations? | Harley

Davidson Forums - Harley

Davidson recommends both

gear lube and motorcycle

oils for their equipment and

there are many different

models with corresponding

specific oil

recommendations.
