Me is an intriguing mix -
supernatural horror, but one
that also wonderfully
captures the graininess, the
hard dilemmas and nagging
constraints, of ordinary life;
an abusive ex-husband,
compromises over
healthcare due to the limits
of insurance, the need to
earn a living in tough times.

Someone like me is a
Australian story with a lot
of adventure in it. This
book has a lot of
imagination about a boy
who is blind. The boyâ€™s
name is Tas he might be
blind but he can just do
things like anyone else.
