Wed, 31 Oct 2018 15:40:00 GMT Wearever Gold Brake Pads Review - Why Should You Consider ... - I got the Wearever silver pads for my sonata from Advance auto and so far I am not very impressed with them. They leave alot of brake dust on my rims compared to the OEM ones I had and once in a while I get a squeek while braking. Sun, 11 Nov 2018 20:42:00 GMT wearever brake pads from Adavance Auto - Bob Is The Oil Guy - Also, the cheaper pads tend to create more dust and eat the rotors more than some more expensive brands. As for rear shoes - the re-lined shoes are just as good as the new ones. Overall, you don't get much stopping

power from rear brakes in general (especially rear drums) anyway, so these don't matter nearly as much as the front brakes. Fri, 09 Nov 2018 15:36:00 GMT Wearever vs. Bendix? - AnandTech Forums: Technology ... - Based on previous posts fairly sure Wearever's are made in China. If I could be positive the Wagner's coo is the US, I'd go that route. But a google search, Amazon comments and Char's comment indicate Wagner's also made in China.
